6           UNITED STATES DISTRICT COURT  
7           WESTERN DISTRICT OF WASHINGTON  
8           AT SEATTLE  
9

10           BIO MANAGEMENT NORTHWEST  
11           INC., et al.,  
12

13                         Plaintiffs,

14           v.  
15

16           AMERICAN BIO SERVICES, et al.,  
17

18                         Defendants.

19                         CASE NO. C21-724-TL-BAT  
20

21                         **ORDER FOR STATUS OF  
22                         SETTLEMENT AND AMENDED  
23                         COMPLAINT**

24           The parties filed a stipulated motion to extend the time for Defendant to answer the first  
25 amended complaint for settlement discussion purposes. Dkt. 28. The Court granted the motion  
26 and set August 15, 2022 as the due for the answer. Dkt. 29. No answer has been filed as of this  
27 date. The Court accordingly ORDERS: By September 2, 2022, the parties shall file a status  
28 report that indicates if an answer will be filed, and if so when it will be filed, or alternatively  
29 whether additional time for settlement is needed and a new due date for the answer should be set.

30           DATED this 29th day of August, 2022.
